- E. SESSION SUMMARY:

Site consists of brown, green, gold or yellow colors. People are at the site and it seems that they are waiting for something or watching for something. People seemed happy. There were small circular objects at the site. It looked as though the small circular object were being touched or held by the people. The circular objects seemed near to the people. I felt that I was outside.

There may have been water and a small vehicle at the site but the people were not watching this.
